

International Digestive Endoscopy Network 2020

September 25(Fri) – 26(Sat), 2020 BEXCO, Busan, Korea

| | | |
|-------------------------|---|---|
| Name | Ji Kon Ryu |  |
| Country | Korea | |
| Organization | Department of Internal Medicine and Liver Research Institute, Seoul National University College of Medicine | |
| Current Position | Professor | |

Educational Background

Doctor's Degree of Medicine, 2000, Seoul National University

Master's Degree of Medicine, 1993, Seoul National University

Medical Doctor, 1989, Seoul National University College of Medicine

Professional Experiences

Professor, Department of Internal Medicine and Liver Research Institute, Seoul National University College of Medicine, 2009.6 ~ now

Research Fellow, Department of Pathology and the Sol Goldman Pancreatic Cancer Research Center, Johns Hopkins University School of Medicine, 2008.1 ~ 2009.6

Assistant Professor, Department of Internal Medicine and Liver Research Institute, Seoul National University College of Medicine, 2003

Professional Organizations

Main Scientific Publications

Chun JW, Lee K, Lee SH, Kim H, You MS, Hwang YJ, Paik WH, Ryu JK, Kim YT. Comparison of liquid-based cytology with conventional smear cytology for EUS-guided fine-needle aspiration of solid pancreatic masses: prospective randomized noninferiority study. *Gastrointest Endosc.* 2020 Apr;91(4):837-846.

Kang J, Lee SH, Lee JW, Jang DK, Choi JH, Choi YH, Paik WH, Ahn DW, Jeong JB, Ryu JK, Kim YT. Impact of balloon inflation on the insertion of endoscopic ultrasound: a prospective, randomized controlled trial. *Endosc Int Open.* 2020 Mar;8(3):E458-E464.
